

**Candidate for CUSW**  
**NEB MEMBER AT LARGE**

Michelle Holmes

When I am voted in as your National Executive Board Member at Large, I will ensure the Constitution is implemented and enforced for the betterment of all CUSW members. Who better to act on your behalf than one of the Constitution Committee members who studied, drafted and helped to initiate the improvements to the Constitution at the 2021 Convention.

I believe in CUSW as a Democratic organization and I also truly believe that we can make CUSW even stronger as we expand across the country and increase our skilled work force numbers. Manage today and focus on tomorrow.

I embody and uphold the Values and beliefs of our Union.

**With your support we can continue build the future of CUSW together.**

**BIO:** **Canadian Union of Skilled Workers member since 2006**
